Dear Parent/Carer

You may have seen on the news that Wisepay has been subject to a cyber attack and cardholders details have been accessed by hackers. I'm afraid, it was confirmed that some of our academy account details may have been compromised. This means that your details may have been hacked and therefore your accounts may be at risk.

Please see letter attached from Wisepay, this is all of the information that we have been given.

Please contact your bank/card provider for advice on how to proceed. We have contacted our Data Protection Officer, and he will taking advice from the Information Commissioner.

As soon as we have any helpful information to share with you, we will do so as quickly as possible.

Yours sincerely

Mrs Fiona Harvey
