

## Your Book Review

When you arrive at Pingle in September, your new teacher will be excited to find out what you have been reading over the summer. Select one of the best books you have read over the summer and write a book review to let them, and your new class, know what you have read and enjoyed. Remember to demonstrate your amazing writing skills too!

### What is a book review?

A book review is a summary of the plot, the characters in the story and how the book made you feel.

Write a book review on your favourite book or a book you've recently read. There are some questions below which you may find helpful to consider when completing your review.

2. How did the events of the story follow on from each other?
3. What was the climax of the story? How did it end?
4. Who were the main characters? Did they change, if so how?
5. Was there anything interesting about the way it was written?  
Was it written in first or third person?
6. Was it a good story? Why?
7. What was your favourite moment in the story? Why?
8. Would you recommend this book? Who would you recommend it to?
